GARNIER-THIEBAUT USA
LINEN DESIGNER
& MANUFACTURER

Garnier-Thiebaut is a linen designer and manufacturer of bed, bath, table linen and accessories for the worldwide hospitality industry and homes. Garnier-Thiebaut belongs to HDM Industries; a worldwide leader in textiles, work wear, related services of the hospitality industry and retail.

Garnier-Thiebaut's story begins in 1833 in the heart of the Vosges region in Gérardmer, with the marriage of two weavers: Virginie Thiebaut and Jean-Baptiste Garnier. Through the ages, they have succeeded to transmit their love for linen.

This story is lasting thanks to the authenticity, the passion and the wish to innovate every day to create the linen of tomorrow.

Garnier-Thiebaut is a vertical company and manages all the manufacturing steps: dyeing threads, weaving and processing fabrics, cutting, sewing, packaging and delivering finished products.

To create a singular proximity with its customers, Garnier-Thiebaut arrived in the USA in 1997 to import its French "Savoir-Faire". With a human scale team and the performance of an international company, we offer a tailored service to meet your expectations.

My dedicated team and I continue every day to transmit this passion for quality linen and commit to finding the perfect fit to bring your ideas to life.

I let you discover our products exclusively designed for the hospitality industry and look forward to welcoming you in our team.

Chief Executive Officer

TESTIMONIAL & GALLERY

"Our outlets at The Portola Hotel and Spa have ordered napkins through Garnier Thiebault the past two years, and I want to compliment them on their incredible level of professional service and the level of quality in their product. I am impressed with both aspects of cloth and color durability, and their prompt reply to every service call I have made. I highly recommend you give them special consideration when thinking of your next linen purchase. "

The Garden City Hotel is renowned for its sophisticated taste, luxury products and prestigious brands that we align ourselves with to meet and support our standards. Rated 4 Diamonds and Best Housekeeping by AAA, we strive for every guest to have an unforgettable experience. For this reason we have partnered with Garnier Thiebaut for our bed linens, terry and food & beverage linen. Redha Laafia has been a true professional and guided us every step of the way to ensure a perfect fit with our selection of products. Redha is always available and in constant communication with us to ensure that orders and quality are up to the high standards or Garnier Thiebaut that we have come to expect.

The 300TC 100% cotton bed linen and Sirocco Terry have been significantly noticed by our guests with many positive comments and inquires on where to purchase the products. The long lasting durability, quality and Redha's dedication and attention to detail with our account gives our operating teams a peace of mind.
