# BOMBACIO BANQUET COLLECTION

Garnier-Thiebaut is a linen designer and manufacturer of bed, bath and table linen and accessories for the hospitality industry and homes worldwide. Garnier-Thiebaut belongs to HDM Industries; a worldwide leader in textiles, work wear, related services of the hospitality industry and retail. We are a vertical company and we manage all the manufacturing steps: dyeing threads, weaving and processing fabrics, cutting, sewing, packaging and delivering finished products.

Garnier-Thiebaut started manufacturing linen in 1833 in France and imported its French "Savoir-Faire" by entering the US market in 1997. Garnier-Thiebaut USA features 4 brands with tailored products and services to fit all budgets and needs: Garnier-Thiebaut, Hilden America, Bombacio and GT Hotel Collection. To better serve the American market, we own a cutting and sewing facility in Virginia to stock a wide range of bed, bath and table linen and to answer quickly any custom requests.

With more than 185 years in the industry, our dedicated team is constantly reinventing and following trends to provide the linen of tomorrow with the finest quality fabrics. With this commitment in mind, we have created the "**Bombacio Banquet Collection**" featuring our new selections of banquet linens. Over 40 different options are introduced in several fabrics and colors.

The purpose behind **Bombacio Banquet Collection** is to extend our offer with modern and fresh new looks dedicated for banquets and events. Welcome to a journey of textures and colors!
