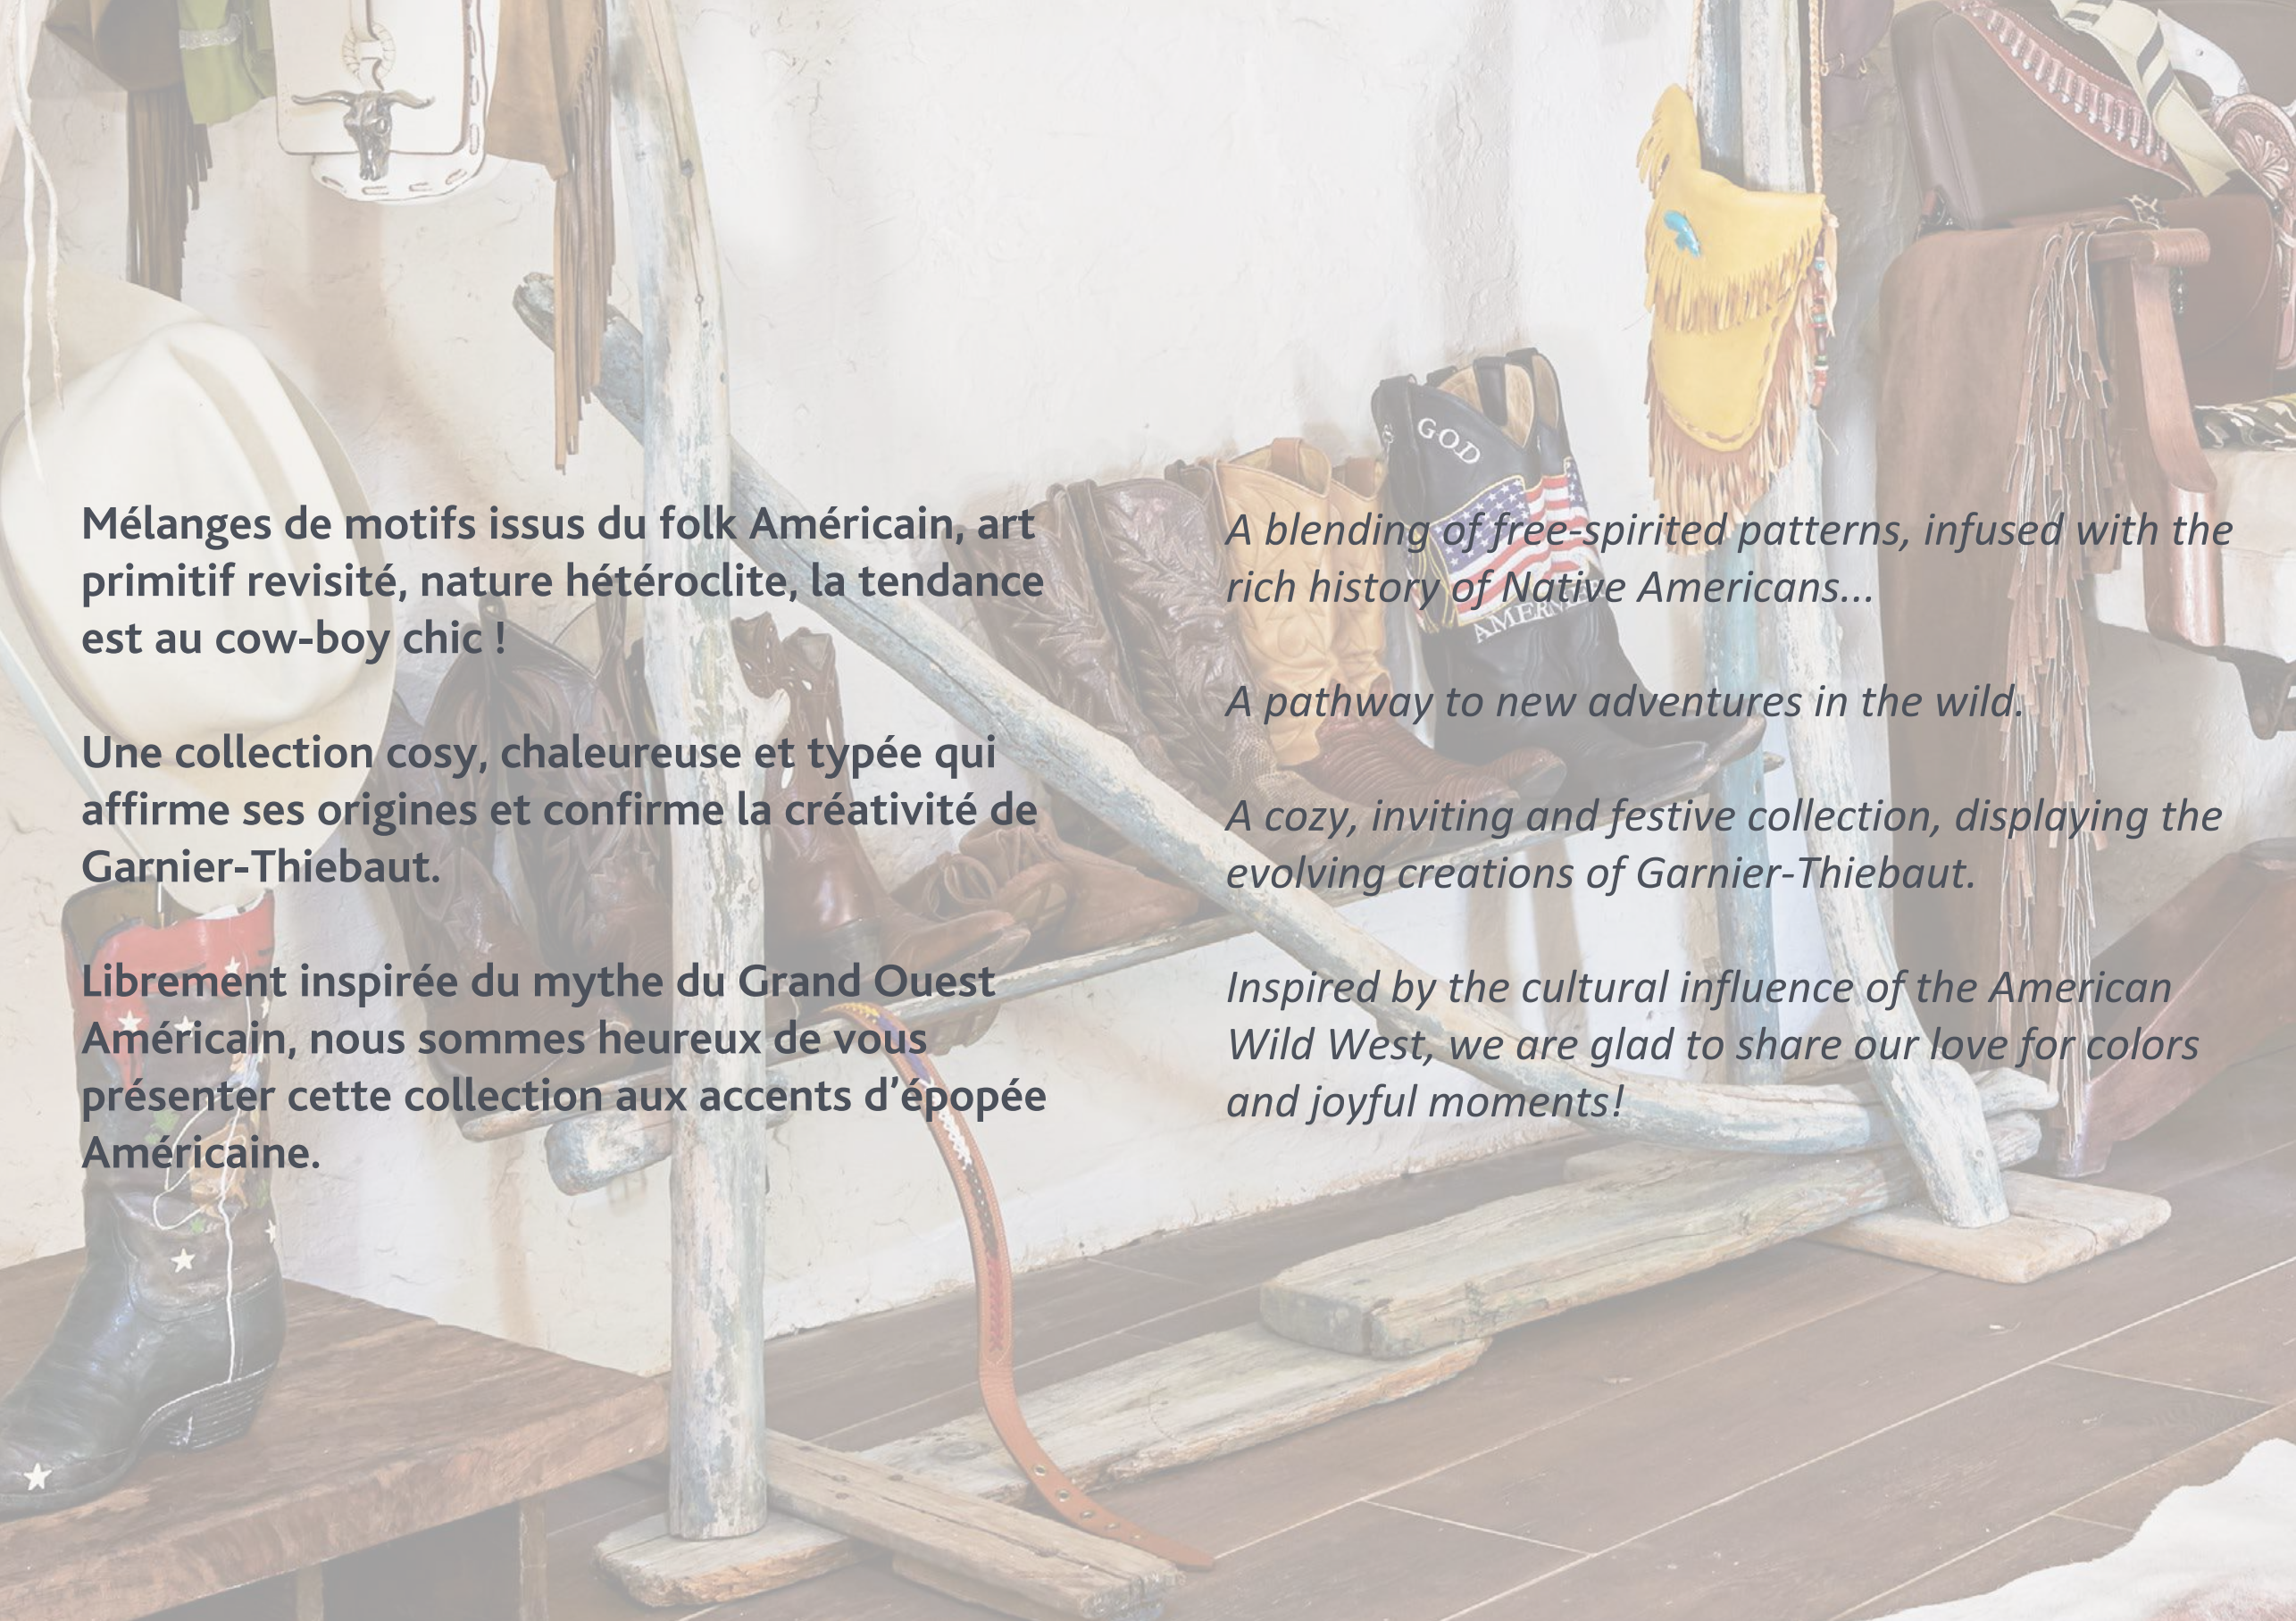
AUTOMNE - HIVER 2021



Mélanges de motifs issus du folk Américain, art primitif revisité, nature hétéroclite, la tendance est au cow-boy chic !

Une collection cosy, chaleureuse et typée qui affirme ses origines et confirme la créativité de Garnier-Thiebaut.

Librement inspirée du mythe du Grand Ouest Américain, nous sommes heureux de vous présenter cette collection aux accents d'épopée Américaine.

A blending of free-spirited patterns, infused with the rich history of Native Americans...

A pathway to new adventures in the wild.

A cozy, inviting and festive collection, displaying the evolving creations of Garnier-Thiebaut.

Inspired by the cultural influence of the American Wild West, we are glad to share our love for colors and joyful moments!
